

LA CONNER COMMUNICATIONS

Student Conferences

Parents and Families, you will now schedule your own conferences online.

La Conner School District has enabled conference scheduling in [Qmlativ/Skyward](#)! We're excited to share this easy-to-use feature of Qmlativ enabling families to book conference slots.

- ☑ Families with more than one student can quickly see available time slots for all of their teachers and coordinate schedules more easily!
- ☑ Elementary families should sign up with their student's classroom teacher, and can also sign up with specialists (PE, science, computers, etc.) for conferences.
- ☑ At the middle and high school, families are encouraged to sign up for conferences with any of their student's teachers and/or the student's advisor.
