

5th Grade Weekly Assignments

June 12-19

READING/SOCIAL STUDIES: This week we are continuing with The Thirteen Colonies. Our reading this week is about the Southern Colonies.

You will need to:

- Take Three Column Notes on the 7 vocabulary words.
- Consider 4 The Main Ideas as you read.
- Choose between two culminating projects.

Please continue recording your daily reading on the June calendar.

SCIENCE: Finish any science work that is still not completed including your salmon choice board, 360° observations or any other other work.

MATH: Finish any missing math work.

LEARNING REFLECTION: Take some time and reflect on your learning these past 2½ months. There is a link on your teacher's website to fill out the Google Survey.

RETURN of SCHOOL PROPERTY

The last day of school is quickly approaching and it's time to return items that belong to the school. This includes:

- Technology devices
- Textbooks
- Musical instruments
- Library books

There will be two stations set up in the district office loop, one for technology, and one for everything else. We encourage you to come early in the week so that the lines are not too long and our team isn't overwhelmed on the last day, June 19th.

- Friday, June 12 - SENIORS ONLY, 10:00 - 2:00
- Monday, June 15 - Friday, June 19
 - 10:00 - 2:00
 - 6:00 - 7:00 PM
