

News From Fourth Grade!

Please read each section and let your child's teacher know if you have any questions.

Clarifications	<p>It has been brought to our attention that there are some wonderings about homework expectations. Please read the items below that explain these two expectations.</p> <p>There will be different parts to keep track of:</p> <ol style="list-style-type: none">1. Reading-Read 400 minutes a month, fill in, and have an adult initial the minutes read on the reading calendar. If your student attends an after school program they may read and have their calendar signed there.2. Math: Students have/will be given pages to complete as an optional activity. These will let you know what we're working on in math. <p>~Today your child came home with two reading and two math papers. This should only be completed if school is canceled . You will be informed from the district if this is the case. We will hold a zoom meeting that your teacher will send a link through Remind to access. This was an attempt to have a plan in place because of the weather forecast.</p>
Reading and Writing	We will begin Unit 2, the Interaction of nature and culture this month. Students will be practicing the writing process to complete a narrative piece.
Math	Students are continuing to work on fractions and decimals. This will be completed before break.
Caring School Community	Each week we are continuing to randomly select a Spotlight Student. When chosen, that student will bring information home regarding how it works.
Birthdays	This month our celebration will occur on Monday December 19th 2:00-2:30. Both classes celebrate together. There are 42 students in all. Please let your child's teacher know if you are sending in treats!
Calendar Items	Tuesday December 20th is a ½ day. Students will be released at 11:40. Winter Break December 21- January 4th.

If you have any questions, please send us an email.
