

# ESCAPE ROOM DIRECTIONS

## WHAT IS A DIGITAL ESCAPE ROOM?

A digital escape room is website with hidden clues, puzzles and codes. You need to find the clues and solve them in order to escape. This guide will help you get started.

## WHAT'S NEXT?

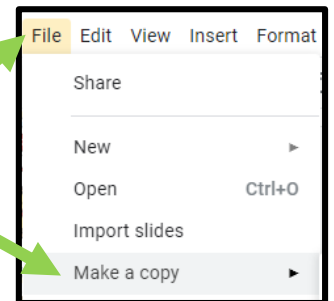

- 1 Click on the link your teacher gives you. This will open up the digital room. Read the story to learn about your adventure.
- 2 Look around the "room" for clues. You might find hidden links you need to click on.
- 3 When you click on a link, a new page will open as a different tab in your browser. You can get back to your escape room by clicking on the tabs.

- 4 A page might have a button that says "Make a copy". It's ok to click on that button to get to the activity.

- 5 An activity might open that has a **Request Access** button. This means you don't have access to work on the page. Click on File, then Make a Copy so that you have your own copy to work on.

- 6 Complete the activities to solve the secret codes! Use the hints to help you. Once you have all of the secret codes, you will be able to escape!
