

Dear La Conner School District families:

You may be eligible to receive internet service at your home for free. Washington's K–12 Internet Access Program allows students and their families to connect **at no cost to you**. There will be no credit check or denial based on past-due bills.

How is this free?

Costs are being paid for this program out of Washington's Office of Superintendent of Public Instruction, using CARES Act money, which is Covid-19-related Grant Funding.
