

## Salmon Choice Board

Last week you read about salmon. This week you're going to use the information and choose one activity from this choice board to complete. When you are done, share your final project with your teacher. The goal is for you to have this done by Friday, May 21.

<p style="text-align: center;"><u>Make a Test</u></p> <p>Create a 12 question quiz that's for a 5th grader. Be sure and include basic, average and challenge questions on your quiz. Complete an answer for your quiz.</p> <p>Present your quiz at one of our Zoom meetings on Thursday and see how well all of us can do.</p>	<p style="text-align: center;"><u>Create a Google Slides Presentation</u></p> <p>Create a Google Slides presentation explaining what you have learned about the salmon in the Skagit River. Make a slide that includes an illustration and information about each salmon species. Also, add a slide about how salmon connect to your personal life.</p>	<p style="text-align: center;"><u>Make a Poster About 1 Salmon Species</u></p> <p>Choose one of the species to research in depth and create a poster about that fish. Be sure your poster includes a colored drawing/painting of your salmon. Research your salmon species and present the new information you have learned on your poster.</p>
<p style="text-align: center;"><u>Make a Salmon Mobile for Your Bedroom.</u></p> <p>Go to the beach, find a cool piece of driftwood and some other interesting beach items. Draw each fish on a piece of cardboard. On the back of each fish write down interesting information about the different species. Make a mobile out of the fish, driftwood and other beach stuff. Take a couple of pictures of your mobile and send it to your teacher. Hang it up in your bedroom.</p>	<p style="text-align: center;"><u>Sidewalk Chalk Infomercial</u></p> <p>Share your knowledge of salmon with your neighbors. :)</p> <p>Find some sidewalk chalk and a space outside to draw a salmon mural about the different species. Draw each fish and beside each fish share 3 or more interesting facts about it. Take a photo of your Infomercial and email it to your teacher.</p>	<p style="text-align: center;"><u>Write/Make a video: Create an Adventure Story/Comic About the Life of a Salmon</u></p> <p>Think of finding Nemo...Start with the salmon as an egg and in your story write what happens at each of the 8 stages of a salmon's life.</p> <p>If you want, turn your story into a video or a podcast with sound effects. Record yourself using photobooth. Upload the video to your teacher.</p>
