LA CONNER COMMUNICATIONS

Two-way communication between teachers and students/families:

La Conner School District uses Remind to communicate with families and students in a timely, easily accessible format. Anyone can join our Remind groups to get and send messages via text, email, and phone.

Remind provides staff, students, and families the ability to communicate without having to give out personal phone numbers or emails.

Email: Staff emails use first initial last name @lc.k12.wa.us and can be found on the district website.

Phone: District 360.466.3171

## Keep information up-to-date in our Student Information Systems:

FinalForms: Each year, all students must register for school, using FinalForms. Communications of a more general nature from the district and schools are emailed through FinalForms.

Qmlativ (Skyward): Use Qmlativ to see student schedules, attendance, grades, GPA, and graduation requirements. Qmlativ is the official student record. (Qmlativ is a newer version of Skyward.)

In grades 6-12, all classes use Canvas:

Canvas: La Conner Middle and High Schools use Canvas as our learning management system. Students can see all assignments, due dates, missing work, and grades for each class. Families can connect to their student's account and monitor progress, as well as message teachers with any questions or concerns.

La Conner School District Communication Tools

What	Why	How	
CANVAS BY INSTRUCTURE	Access Canvas for your MS/HS students to see grades, assignments, due dates, and communications from classroom teachers.	https://laconnersd.instructure.com/login/canvas	
facebook	Facebook is an effective communication tool for those with accounts. Find current news and events posted to our district Facebook.	https://Facebook.com @LaConnerSchoolDistrict	
FINAL FORMS	FinalForms is our registration system. Filling out these forms ensures that we have current information on all students each year. Register for school and athletics, and receive notifications from FinalForms.	https://laconner-wa.finalforms.com/ Both students and parents will need their own accounts to complete required forms.	
peachjar	Peachjar enables us to send district news, and for community organizations to share upcoming events to your email. Flyers sent through Peachjar must be approved by the district.	https://accounts.peachjar.com/login Enter your email; look for a confirmation email to finish signing up.	
SKYWARD Qmlativ	Check that your profile information is up-to-date in Qmlativ (Skyward) as the contact information there is used by most of the other tools listed here.	https://bit.ly/3Qlc0tX Use the "Forgot your Username or Email?" link to reset a lost login.	
Remind	Teachers, coaches, bus drivers, advisors, and district staff all use Remind to send timely updates and info. We recommend turning on notifications for your phone, to receive messages via text.	Each building, class, team, and club has their own join code. Schools and classes are automatically added; ask coaches and other groups for their join codes to stay connected.	
Safety Tip Line	The Safety Tip Line provides an immediate and anonymous way to report any threats to the safety of any LCSD student. For emergencies call 911.	https://1356.alert1.us Email: 1356@alert1.us Call or text: 360.244.4621 Our district code is 1356	
Website: lcsd.wednet.edu	Access the district website to find the student calendar, current events, and links to forms, athletics, departments, contact information, and general updates.	www.lcsd.wednet.edu Call 360.466.3171 for assistance with any of the tools above.
