Library Book Take-Out Service

To check out a book from the La Conner School District Library, complete the request form and drop off at the school or email msclothier@lc.k12.wa.us with your request.

As soon as the book is available (depends on if it's already checked out), we will check it out in your name, store in a book envelope for 48 hours (to ensure proper disinfecting), and place with the school work bins on Fridays. Books not picked up will be delivered by bus.

To return your books, simply drop them in the work return bins on Fridays!

Book Request Form

Please include as much information for each request as possible. To check for availability, go to <http://www.lcsd.wednet.edu/library> and click "Online Catalog" to search for books in our libraries.

Student Name: _____ Best contact email or phone: _____

Title of Book Requested: _____

Author: _____ Book Series: _____
